

Year 1 Space Museum

On Thursday 16th March, Year 1 will be running a Space Museum showing lots of our learning and activities that we have been doing this term!

This will be held in their own classrooms from **2.45pm** – please come to the classroom doors at this time so the children can show you around.

The Year 2 Chocolate Fayre will then be open from 3.15 for you to go and buy some yummy treats!

We are looking forward to seeing you!
