

What we are learning in Key Stage 1

Week beginning: 6th March

Next week we are learning...	Year 1	Year 2
Phonics and Spelling	Looking at the alternatives or, au, aw	Words ending il/al
English	Researching and writing about Tim Peake	Planning our own version of the Chocolate Room
Maths	Comparing and measuring length and height	Multiplying and dividing by 2s and 5s Using tally marks to create block graphs
Topic	Science investigations – stomp rockets and crater investigation	Science investigations – parachutes and making balloons travel!

Highlights this week:

All the children looked amazing in their World Book Day outfits! They loved sharing books with their friends. Keep sending in your photos of reading in unusual places!

Coming up...

Science Week next week –

Open Mornings for you to come in and carry out some experiments with your child!

Mon 6th EYFS, Tues 7th Year 1, Wed 8th Year 2
